2. General Education Curriculum for this Program:

The new General Education curriculum is comprised of the equivalent of 30 credit hours of course work. There are, however, some courses that exceed 3 credits & this would result in more than 30 credits in some majors.

- There is no foreign language requirement for the new Gen Ed curriculum.
- There is no General Education Electives requirement.

### Please list the courses/credit hours currently used to fulfill the University Studies curriculum:

If moving from USP to Gen Ed results in unallocated hours, please indicate below how that allocation will be made. See [http://www.uky.edu/Faculty/Senate/files/Forms/Gen_Ed_Pgm_Changes.html](http://www.uky.edu/Faculty/Senate/files/Forms/Gen_Ed_Pgm_Changes.html) for an example.

First, BIO 103 and 111 (previously required in USP Natural Sciences) will move into Program Related Studies, along with a choice of pairings: HIS 104/105 or HIS 108/109 (previously required in USP Humanities). The remaining credits will be made up in electives chosen with the help of an advisor, to bring the total number of earned hours up to 120.

\(^1\) Note that MA 109 is NOT approved as a Quantitative Foundations course. Students in a major requiring calculus will use a calculus course (MA 113, 123, 137 or 138) while students not requiring calculus should take MA 111, PHI 120 or another approved course.
