	EPE_____	_____	3	_____
	EPE_____	_____	3	_____

What Semester do you plan to take your MS Exam: _____

Customize your Degree

Talk with your advisor and other department faculty about your options for research coursework and elective courses. You may also select courses from outside of EPE with approval from your advisor. Internships are strongly recommended and require a learning contract developed in collaboration with your site supervisor and your advisor.

Recommended Research Courses for MS in HIED
