

**Student Teaching Cultural Responsive Teaching Evaluation Form  
(for Overseas Placements Only)**

**Name of Student Teacher:** \_\_\_\_\_

This assessment form is designed to provide a measure of the student teacher’s level of expertise implementing culturally responsive teaching practices – practices that suggest an understanding of cultural practices and traditions represented in the classroom and host country. The rating criteria and indicators are listed below. Please use the criteria to rate the student teacher’s performance on each of the indicators at the **midpoint** and **endpoint** of the placement period.

4 = Appropriately, consistently demonstrated  
2 = Appropriately demonstrated some of the time

3 = Appropriately demonstrated most of the time  
1 = Rarely or never demonstrated appropriately

**The student teacher:**

	<b>Midpoint Rating</b>	<b>Endpoint Rating</b>
--	----------------------------	----------------------------

- Demonstrates appreciation of unique facets of culture(s) represented in host school and country
- Demonstrates awareness of cultural practices and traditions represented in host school and country
- Appropriately uses host culture/country resources such as: materials, curriculum documents, and learning standards
- Relates effectively to students and staff in terms of their own culture
- Implements instructional strategies that are culturally sensitive and promote understanding cultures
- Reflects about culturally responsive practices and about how culture can influence student learning, motivation and needs.
