The future belongs to the CURIOUS. The ones who are not afraid to TRY it, EXPLORE it, POKE at it, QUESTION it, and TURN it inside out.

WHEN & WHERE
May 30 - June 2, 2017
9:00am - 4:00pm
University of Kentucky Campus

WHAT IS IT?
The LEGO Robotics Camp will extend the curriculum of the See Blue STEM Camp to provide enhanced instruction in building and programming robots. Students will use sensors and coding to complete challenges and compete against their peers.

COST
$200
Includes lunch, snacks, water bottle, t-shirt, and flash drive
