

CURRICULUM VITAE OF MALACHY L. BISHOP

Malachy L. Bishop, Ph.D., CRC
Professor, Doctoral Program Coordinator, Rehabilitation Counseling Program
Department of Early Childhood, Special Education, and Rehabilitation Counseling
Director of Development and Research, Human Development Institute
224 Taylor Education Building
University of Kentucky
Lexington, KY 40506
Phone: (859) 257-4291
Email: mbishop@uky.edu

EDUCATION

1997 to 2000	Ph.D. University of Wisconsin-Madison Major: Rehabilitation Psychology Minor: Educational Psychology
1992 to 1995	M.S. Ed. Portland State University, Portland, OR. Major: Rehabilitation Counseling
1986 to 1990	B.S. University of Oregon, Eugene, OR. Major: Psychology Minor: English

PROFESSIONAL CERTIFICATION

Certified Rehabilitation Counselor (CRC) 1995-Present
Certification Number: 14479 (former number: 33992)

PROFESSIONAL EXPERIENCE

2014-Present	Director of Development and Research Interdisciplinary Human Development Institute (University of Kentucky's University Center for Excellence in Developmental Disabilities) University of Kentucky
2009-Present	Professor and Doctoral Program Coordinator Department of Special Education and Rehabilitation Counseling, University of Kentucky
2007-2009	Graduate Program Coordinator Graduate Program in Rehabilitation Counseling, University of Kentucky

- 2005-2009 **Associate Professor**
Department of Special Education and Rehabilitation Counseling, University of
Kentucky
- 2000-2005 **Assistant Professor**
Department of Special Education and Rehabilitation Counseling, University of
Kentucky

CLINICAL/PROFESSIONAL EXPERIENCE

- 2003-2015 **Program Evaluation and Research Consultant**
Lexington, KY
- 2001-2005 **Vocational and Occupational Evaluation**
Lexington, KY
- 1999-2000 **Predoctoral Neuropsychology Internship**
Neuropsychology Department, Physical Medicine and Rehabilitation
Meriter Hospital, Madison WI
Supervised by Dr. Gordon Herz, Licensed Psychologist
- 1999-2000 **Predoctoral Psychology Internship**
Waisman Center, Developmental Disabilities Clinic
University of Wisconsin-Madison, Madison, WI
Supervised by Dr. Pam Lewis, Licensed Psychologist
- 1998-1999 **Predoctoral Neuropsychology Practicum**
University of Wisconsin-Madison University Hospital
Neuropsychology Department, Madison, WI
Supervised by Dr. Bruce Hermann, Licensed Psychologist
- 1998-1999 **Predoctoral Forensic Psychology Practicum**
Mendota Mental Health Institute: Intensive Treatment Unit
Madison, WI
Supervised by Dr. Michael Bernstein, Licensed Psychologist
- 1996-97 **Rehabilitation Counselor**
Integration and Independence, Inc. Portland, OR
- 1995-96 **Rehabilitation Counselor**
Goldman & Associates, Inc., Vancouver, WA
- 1993-95 **Vocational Evaluator**
St. Vincent dePaul Rehabilitation Services. Portland, OR

TEACHING AND ADVISING

2009-present	Professor, Rehabilitation Counseling, University of Kentucky
2005-2009	Associate Professor, Rehabilitation Counseling, University of Kentucky
2000-2005	Assistant Professor, Rehabilitation Counseling, University of Kentucky
2011-2015	Affiliated Faculty, Comparative Decision Making Studies, University of Kentucky
2003-2010	Affiliated Faculty, Women's Studies Program, University of Kentucky
1999-2000	Lecturer, University of Wisconsin-Madison, Madison, WI
1997-1998	Teaching Assistant, University of Wisconsin-Madison, Madison, WI
1997-1999	Clinical Supervisor, University of Wisconsin-Madison, Madison, WI
1995-1996	Teaching Assistant, Portland State University, Portland, OR

Courses Developed and Taught:

- Research and Program Evaluation
- Vocational Evaluation
- Counseling Theory *
- Counseling Techniques *
- Group and Family Counseling
- Case Management
- Principles of Rehabilitation Counseling *
- Field Work Supervision (Practicum/Internship) *
- Human Growth and Development
- Medical and Psychosocial Aspects of Disability
- Advanced Seminar in Psychosocial Aspects of Chronic Illness and Disability
- Ethics in Rehabilitation Counseling *
- Rehabilitation Employment Strategies
- Rehabilitation Counseling and Disability Policy in Ireland: Comparative Practices
- Mental Health Diagnosis and Psychopharmacology *
- Career Development
- Advanced Seminar in Rehabilitation Counseling
- Advanced Methods for Teaching and Conducting Research in Rehabilitation Counseling
- Rehabilitation in Business and Industry*

* Courses developed for distance learning and on-campus classes

RESEARCH ACTIVITIES

Funded Research Grants:

National Multiple Sclerosis Society
“Quality of Life Impact of the FY 2016-2018 Strategic Plan and Quality of Life Impact Metrics”
Principal Investigator
Funding Period: November, 2016-December, 2018
Grant Amount: \$206,300

Kentucky Cabinet for Health and Family Services: Department for Medicaid Services
Medicaid Community Settings Review
Principal Investigator
Funding Period: January, 2017-September, 2017
Grant Amount: \$49,948

Administration on Intellectual and Developmental Disabilities

“University Centers for Excellence in Developmental Disabilities Education, Research, and Service Core Grant”

Co-Investigator

Funding Period: July 1, 2013 - June 30, 2018.

Grant Amount: \$547,000

US Department of Education, Rehabilitative Services Administration

Sub-contract with Southern University A&M

“Vocational Rehabilitation Technical Assistance Center for Targeted Communities:

Educate, Empower, and Employ (Project E3)”

Principal Investigator for University of Kentucky Human Development Institute subcontract

Funding Period: October, 2015-September, 2020

Grant Amount: \$500,000

National Multiple Sclerosis Society

“Optimizing MS care: Multiple sclerosis patients’ perspectives and priorities for their MS care”

Principal Investigator

Funding Period: October, 2014-December, 2016

Grant Amount: \$329,000

Council on Rehabilitation Education

“Project to inform the revision of the CORE Graduate Educational Standards”

Principal Investigator

Funding Period: January, 2014-December, 2016

Grant Amount: \$40,000

National Multiple Sclerosis Society

“Comprehensive national analysis of the current and expected need for specialized housing among adults with multiple sclerosis”

Principal Investigator

Funding Period: October, 2010-December, 2012

Grant Amount: \$309,000

National Institutes of Health

P20 Center for Biobehavioral Research on Self-Management of Cardiopulmonary Disease,

Co-Investigator: Pilot Project: “Cognitive restructuring to decrease depressive symptoms and improve self-management of patients with heart failure”

Funding Period: October, 2007-October, 2012

Grant Amount: \$1,500,000; Pilot Project: \$63,000

US Department of Education, Office of Special Education and Rehabilitative Services

“Long term training in rehabilitation”

Writer and Co-Principal Investigator

Funding Period: August, 2003-September, 2008

Grant Amount: \$750,000

Rehabilitation Services Administration: Projects with Industry Program
“Effective placement in the community for persons with neurological conditions” (EPIC)
Writer and Program Evaluator
Awarded October, 2005
Funding Period: October, 2005-October, 2008
Grant Amount: \$906,000

National Multiple Sclerosis Society. Pilot Research Program
“Adherence to disease modifying therapies in multiple sclerosis”
Principal Investigator
Funding Period: September, 2007-September, 2008
Grant amount: \$44,000

US Department of Education, Office of Special Education and Rehabilitative Services
"Rehabilitation long term training- Comprehensive system of professional development"
Co-Principal Investigator
Funding Period: September, 2005-August, 2010
Grant Amount: \$993,325

Commission for Rehabilitation Counselor Certification Research Grant
“An investigation of CRC’s role in the return to work of military reservists”
Co-Principal Investigator, Program Evaluator
Awarded May, 2007
Funding Period: July, 2007-July, 2008
Grant amount: \$40,000

National Multiple Sclerosis Society. Pilot Research Program
“Self-management and perceived control in multiple sclerosis: Implications for quality of life”
Principal Investigator
Awarded January, 2006
Funding Period: January, 2006-December, 2006
Grant amount: \$40,000

Epilepsy Foundation/Shire US, Inc. Shire Quality of Life Targeted Investigation Research Grant
“The impact on quality of life of teachers’ knowledge and attitudes toward students with epilepsy: Development of a targeted intervention”
Principal Investigator
Funding Period: April, 2004 – April, 2005
Grant Amount: \$25,000

Centers for Disease Control and Prevention
“Information needs of minorities with epilepsy”
Co-Writer and Program Evaluator
Funding Period: March, 2003 – September, 2003
Grant Amount: \$25,000

Grants Recently Submitted

National Multiple Sclerosis Society
Testing Health Service Delivery Models for Minorities with Chronic Illness and Disability: A Community-based Long-term Services and Supports Approach.
PI of University of Kentucky subcontract to University of Illinois
PI: Dr. Chung-Yi Chiu, University of Illinois
Funding requested: \$50,000
July, 2016.

National Institute on Disability, Independent Living, and Rehabilitation Research (NIDILRR)
“Maximizing Employment Outcomes of Individuals with Disabilities: An Integrated Approach.”
PI of University of Kentucky subcontract to University of Illinois
PI: Dr. David Strauser, University of Illinois
Funding requested: \$200,000
April 29, 2016

National Multiple Sclerosis Society
“Integrated Stress-Coping Model for Predicting Adaptation to Chronic Illness in People with MS”
PI of University of Kentucky subcontract to University of Illinois
PI: Dr. Chung-Yi Chiu, University of Illinois
Funding requested: \$50,000
February, 2016

Local and University Funded Grants

University of Kentucky Faculty Research Support Grant
“Treatment adherence in multiple sclerosis”
Principal Investigator
Awarded: March, 2007
Funding Period: March, 2007-August, 2007
Grant Amount: \$11,207

Institute for Education Research, College of Education, University of Kentucky
“Vocational rehabilitation counselors’ knowledge of cochlear implants”
Principal Investigator
Awarded: January, 2006
Funding Period: January, 2006-December, 2006
Grant Amount: \$4,251.00

University of Kentucky College of Education Research Grant
“Quality of life among adults with multiple sclerosis”

Principal Investigator

Awarded June, 2006

Funding Period: Summer 2006

Grant Amount: \$995

University of Kentucky College of Education Research Grant
“Psychosocial adaptation and quality of life in multiple sclerosis”

Principal Investigator

Funding Period: Summer 2005

Grant Amount: \$2,000

Arvle and Ellen Turner Thacker Research Endowment

“Psychosocial adaptation and quality of life among adults with multiple sclerosis”

Principal Investigator

Awarded June, 2005

Funding Period: Summer 2005

Grant Amount: \$500

University of Kentucky Summer Faculty Research Fellowship

Principal Investigator

Awarded May, 2003

Funding Period: Summer 2003

Grant Amount: \$8,000

University of Kentucky Faculty Research Enhancement Grant

“Kentucky teacher attitudes toward children with epilepsy”

Principal Investigator

Funding Period: September, 2002-September, 2003

Grant Amount: \$5,785

University of Kentucky Research Foundation

“Barriers to employment and employment concerns among adults with epilepsy

Principal Investigator

Funding Period: 2001/2002

Grant Amount: \$3,000

University of Kentucky Research Foundation

“Retirement of state-federal vocational rehabilitation counselors: Concerns and solutions”

Principal Investigator

Funding Period: 2001/2002

Grant Amount: \$1,200

Program Evaluation

Program Evaluator

Hunter College, New York, NY

Project: The MIND Alliance Program (Minority Students with Disabilities in Science, Technology, Engineering and Mathematics)

Funded by the National Science Foundation

2010-2011

Program Evaluator

Brain Injury Association of Kentucky

Project: "Community-based services for people with brain injury in Kentucky"

2006-2010

Program Evaluator

Skill Enhancement and Employment Center, Lexington, KY

Project: "Effective placement in the community for persons with neurological conditions"

Rehabilitation Services Administration: Projects with Industry Program

October, 2005-October, 2008

Program Evaluator

Rehabilitation Counseling Program, Florida Atlantic University-Boca Raton

Project: "An investigation of CRC's role in the return to work of military reservists"

Commission for Rehabilitation Counselor Certification research grant

July, 2007-July, 2008

Program Evaluator

Brain Injury Association of Kentucky

Project: "Brain Injury Association of Kentucky's First Contact Support Network"

2004-2006

Program Evaluator

Epilepsy Foundation of Kentuckiana

Project: "Information needs of minorities with epilepsy."

Centers for Disease Control and Prevention research grant

March, 2003-September, 2003
