

2017-18 College of Education Retention and Graduation Report with Preliminary Data

4/25/18

Prepared by Monica Nielsen

Director of Retention for the College of Education

Data pulled from Tableau Server Workbook “Institutional Retention Dashboard with Preliminary Data” on 4/25/2018 by Monica Nielsen, Director of Retention for the College of Education. Filtered by “College (1st Fall Primary)” for all data images included in the report. Live workbook can be found at <https://analytics.uky.edu/#/workbooks/2992/views>

A statement about the data workbook reads:

*“The Institutional Retention Dashboard with Preliminary Data calculates the official University undergraduate retention and graduation rates. Rates are computed by College, and by numerous demographic groupings. The data are based on our official submissions to CPE. **Additionally, this dashboard includes preliminary data on current and recent terms for which the data have not yet been approved by CPE.**”*

College of Education College Retention Rates

Numbers and percentages of students within the cohort who retained or graduated from the College of Education (in which they started their 1st Fall semester).

College Retention and Graduation Rates with Preliminary Data

These charts give the numbers and percentages of students within the cohort who retained or graduated from the same College in which they started their 1st Fall semester.

* For various reasons, some students are excluded from the official cohort to give more accurate graduation calculations (i.e. those students who enter a professional school before completing their undergraduate degree).

College of Education Institutional Retention Rates

Numbers and percentages of students within the cohort who retained or graduated from the University of Kentucky (but not necessarily from the same college in which they started, being the College of Education).

Institutional Retention and Graduation Rates with Preliminary Data
